FOR IMMEDIATE RELEASE
June 23, 2021

*** 2021 SUMMER ROAD IMPROVEMENT UPDATE *** Douglas County Public Works to Begin Chip Seal Program

(Douglas County, Ore.) – Douglas County Public Works Department (DCPW), Operations and Maintenance Division plans to begin work on their annual chip seal program on roadways in Douglas County beginning next week. The work is scheduled to continue throughout the summer. Chip seal work is typically performed Monday through Friday, from 7:00 am to 5:30 pm, depending upon weather and material availability. Traffic in the work areas will be controlled by flaggers during active work hours.

The chip seal program is the application of a special protective wearing surface to an existing pavement. The surface treatment combines one or more layer(s) of asphalt with one or more layer(s) of fine aggregate. DCPW will provide updates to the chip seal maintenance schedule, if and when any changes occur.

The tentative work schedule is as follows and is subject to modification:

June 28 – July 2	County Rd. #16, Carnes Rd, Roseburg	MP - ALL
	County Rd. #26, Happy Valley Road, Roseburg	MP - ALL
	County Rd. #366, Rolling Hills Road, Roseburg	MP 1.45 to 1.81

Safety is always a priority for the motoring public, as well as for our employees. Please understand that road construction projects will impact drive times, so we are asking residents to plan accordingly. Expect up to 20-minute delays and try to seek alternate routes whenever possible. We are asking motorists to proceed with caution, be patient and obey all posted signs, warnings and flagger instructions as they travel thru all road construction zones. For more information, please contact DCPW at (541) 440-4208 or log onto <https://douglascounty-oregon.us/376/Project-Information>
